

Reedy Wrestling

Newsletter - November 16, 2015

A word from Coach Scholle

Friends of Reedy Wrestling, thanks for checking out our inaugural newsletter. I will use this medium to send out pertinent information and updates on our progress throughout the season. After our first week of practice, I am absolutely thrilled with our wrestlers at Reedy. They have shown toughness, resolve, and a desire to improve that is very impressive for student-athletes their age. I hope to have a significant amount of exciting news to share with everyone throughout the season. Stay tuned!

Announcements

-We have Reedy Wrestling spirit wear available at our page on the reedyliions.com website. All the designs are really great, grab some today.

-I want to thank all of our parents who made it out to our **Introductory Parent Meeting** and **Open House Practice** last week. Your wrestlers appreciate your support. The practice you all witnessed on Saturday was one of the most challenging they will go through all year and everyone did a great job. You should be proud!

Upcoming Competitions

Our first dual meet is on this Thursday against Independence HS and Ft. Worth All Saints HS at Independence High School. The matches start at 5:00pm. Please come out and support the team!
